

## Curriculum Vitae

Versatile, resourceful, and innovative educator with 20 years of experience in music education, at the collegiate and high school levels, with a track record of promoting academic excellence within music-based courses / programming.

## Selected Achievements

- Provided superior education to diverse student populations at the secondary and post-secondary levels.
- Design courses that utilize 21st-century pedagogies and integrate technologies that benefit students and instructors.
- Continuously facilitate professional development trainings, ensuring peers and colleagues have a solid command of progressive instructional resources.
- Directed numerous performances including performances at Carnegie Hall in which recitals / concerts garnered local and national recognition.

## Education and Credentials

### Doctor of Musical Arts (ABD) in Music Education

Boston University, Boston, MA, Expected 2021

### California Single Subject Teaching Credential – Music

Chapman University, DE, 2007

### Master of Music in Choral Conducting

University of Delaware, Newark, DE, 2005

### Bachelor of Music in Theory / Composition

California State University, San Francisco, San Francisco, CA, 1999

## Professional Experience

### California State University, East Bay, Hayward, CA

2019 – Present

#### Instructor – Music Education

Facilitate undergraduate courses within the Music Education program, providing students with the knowledge, insights, and practical tools needed to become music teachers at the professional level. For each class, put in place 21st-century curricula that enhance students' comprehension of basic and complex concepts, while strengthening individuals' proficiencies with technologies utilized in the profession. Plan engaging and hands-on lessons, demonstrate best practices and technology operation, and perform assessments to track student progress.

- Disciplines are Music Technology, Music Production, and Popular Music.
- Courses taught are MUS335 Music Technology for Music Educators, MUS800 Music Technology for Music Educators, and TED585 Student Supervision Field Placement.
- Launched a professional development seminar in which music program faculty are familiarized with music technologies that are part of the overall music curriculum.
- Member of the Graduate Student Thesis Committee(s) in Music Education.

### Catholic Schools Diocese of Oakland, Oakland, CA, East Bay

2016 – Present

#### Coordinator – Educational Technology for Innovation and Learning

Analyze existing programming and identify opportunities to enhance the learning experience by introducing new technologies. Administer faculty trainings which ensure educators understand the benefits of the new resources and can operate instructional technologies. Additionally, propose new courses with defined goals and progressive curriculum designed to maximize student engagement and success.

- Designed the Popular Music curriculum which included Song Writing with Technology, Hip-Hop, and Electronic Music.
- Introduced, and currently teach, a Digital Media course in which students produce a school-wide media channel.
- Serve as a Google for Education Suite Administrator.

**St. Ignatius College Preparatory, San Francisco, CA**  
**Instructor – Music**

**2008 – 2016**

Spearheaded the creation of a professional-grade recording studio / maker space, that provided learners with an environment to explore music-related passions and become proficient with music-making and recording studio operations. Led multiple courses in which individuals acquired a thorough understanding of music principles and history, as well as obtained knowledge on constructing various music.

- Oversaw and directed choral and vocal music activities and performances, and received numerous accolades and honors.
- Choruses performed in multiple prestigious venues including Carnegie Hall.
- Recorded and Produced an album with the choral program.

**Albany High School, Albany, CA**  
**Teacher – Music**

**2006 – 2008**

Educated students on music principles and techniques needed to enhance vocal and performance talents. Classes incorporated progressive curricula, contemporary and traditional musical selections, group and one-on-one lessons, and constructive feedback which resulted in students reaching new levels of success.

- Administered and directed choral and vocal activities.
- Served as the Visual and Performing Arts Department Chair.

**University of Delaware, Newark**  
**Instructor**

**2003 – 2005**

Integral to the development of secondary school student teachers throughout the in-field placement life cycle, having provided guidance, assisted with resolving issues, and supplied ongoing encouragement. Led an undergraduate course which enhanced students' ability to direct musicians, as well as improved musicianship skills, and expanded on existing repertoires.

- Directed the Men's Chorus and UD Choral in the spring of 2005.

**St. Francis High School, Mountain View, CA**  
**Instructor – Music**

**2002 – 2003**

Through lessons, practices, rehearsals, and performances, learners mastered music fundamentals and transformed into more skilled musicians.

- Taught an Electronic Music and Synthesize class.
- Administered and directed instrumental music activities.

**Capuchino High School, San Bruno, CA**  
**Music Education Instructor**

**2000 – 2002**

- Conceptualized, introduced, and managed Popular Music ensemble classes.
- Administered and direct music classes and activities.

## **Additional Professional Activities**

- Editor, California Music Educators Association Journal, 2019-Present
- Host / Producer, Da capo Podcast, 2019-Present
- Invited Speaker and Presenter, Regional, State and National Music Education organizations, 2012-Present
- Music Director, St. Andrew's Presbyterian Church, Pleasant Hill, CA, 2007–2010 Music Director, Albany Community Chorus, 2007-2008
