Areas of Scholarly/Professional Interest

Curriculum Development and Policy; Music Teacher Education; Critical Pedagogy; Reflective Practice; Project-Based Learning; Educational Technology; Secondary General and Choral Music

Academic Positions – Higher Education

California State University, Sacramento 2023–Present
Assistant Professor of Music – Music Education

Facilitate undergraduate courses within the Music Education program, providing students with the knowledge, insights, and practical tools needed to become music teachers at the professional level.

Courses taught:

- MUSC 3 MIDI Sequencing and Notation
- MUSC 101 Experiences in Music
- MUSC 164 Music in General Education
- MUSC 178 Choral/Vocal Literature and Materials
- MUSC 184 Senior Seminar
- EDSS 382 Secondary Methods: Music

California State University, East Bay, Hayward, CA 2019–2023
Instructor – Music Education

Courses taught:

- MUS 335 Music Technology for Music Educators
- TED 546 Teaching Music: Curriculum and Instruction
- TED 585 Student Supervision Field Placement

University of Delaware, Newark, DE

2003–2005

Instructor – Music Education, General/Choral-Voice Concentration

Integral to the development of secondary school student teachers throughout the in-field placement life cycle, having provided guidance, assisted with resolving issues, and supplied ongoing encouragement. Led an undergraduate course which enhanced students' ability to direct musicians, as well as improved musicianship skills, and expanded on existing repertoires.

Courses taught:

MUSC 462 Concert Choir

MUSC 463 Chorale

MUED 336 Choral Conducting

EDUC 400 Student Teaching

Teaching Related Experience – K-12 Education

Catholic Schools Diocese of Oakland, Oakland, CA, East Bay

2016–2019

Coordinator – Educational Technology for Innovation and Learning

Analyze existing programming and identify opportunities to enhance the learning experience by introducing new technologies. Administer faculty trainings which ensure educators understand the benefits of the new resources and can operate instructional technologies. Additionally, propose new courses with defined goals and progressive curriculum designed to maximize student engagement and success.

- Designed the Popular Music curriculum which included Song Writing with Technology, Hip-Hop, and Electronic Music.
- Introduced and taught Digital Media course in which students produce a school-wide media channel.

St. Ignatius College Preparatory, San Francisco, CA

2008–2016

Instructor – Music

Spearheaded the creation of a professional-grade recording studio / maker space, that provided learners with an environment to explore music-related passions and become proficient with music-making and recording studio operations. Led multiple courses in which individuals acquired a thorough understanding of music principles and history, as well as obtained knowledge on constructing various music.

- Oversaw and directed choral and vocal music activities and performances, and received numerous accolades and honors.
- Choruses performed in multiple prestigious venues including Carnegie Hall.
- Recorded and produced an album with the choral program.

Albany High School

2006–2008

Albany, California, USA

St. Francis High School

2002–2003

Mountain View, CA, USA

Capuchino High School

2000–2002

San Bruno, CA, USA
